

States that have *not* yet joined the Convention on Cluster Munitions

As of 03 November 2020

Every country in the world can and should join the 2008 Convention on Cluster Munitions. It is a question of political will and placing a priority on the protection of civilians over outdated and indiscriminate weapons.

We call on the **74 states** that have not signed the 2008 Convention on Cluster Munitions to accede to it without delay:
