SYRIA

Cluster Munition Attacks & Clearance Efforts

Tuesday, 6 September 2016

13:00-14:30

Room XXIV

United Nations Geneva

Sandwiches and refreshments will be provided

This briefing by Human Rights Watch and Syria Civil Defense, also known as the “White Helmets,” will look at the current use of cluster munitions in Syria, including evidence from attacks, data collection findings, and efforts on the ground to clear and destroy explosive remnants.

Facilitated by Firoz Alizada, Campaigns and Communications Manager, Cluster Munition Coalition

Speakers:

- Mr. Raed Al Saleh, Director, Syria Civil Defense
- Ms. Bonnie Docherty, Senior Researcher, Arms Division, Human Rights Watch
