

What can I do to prepare for the 1MSP?

Ask your government:

- Are you coming to the 1MSP? If so, who is coming?
- What steps are you taking to prepare for the 1MSP?
- What are your expectations for the 1MSP?
- What challenges are you facing?
- How can the CMC help?

Share with your government:

- CMC policy papers
- CMC expectations for the 1MSP

***Please email reports on all of your meetings to
Laura@stopclustermunitions.org***

Prepare yourself:

- Read the CMC policy papers
- Think about your personal expectations for the 1MSP
- Register for the 1MSP
- *Carefully* read the 1MSP logistics memo
