

Lobbying

Bangladesh

Objective

To influence the government to sign the CCM.

Assess the national context - *Non-signatory, sympathetic to disarmament, new MPs, it does not produce, do not stockpile, not people issue - it is not an urgent issue. Pakistan and India, who are our neighbours are stockpiles and users. It is therefore a political issue because of our neighbours.*

Targets - *Inter-ministerial committee - MFA is the entry point - they deal with disarmament. The military is not accessible.*

Set up a calendar of your action - *By October 2010*

Means needed - *Money and personel*

Documents are needed - *Policy paper, lists of countries which have signed, ratified producers, etc newsletters, documentary, IEC materials for visibility, a lot photography*
