

States that have *not* yet joined the Convention on Cluster Munitions

As of January 2015

Every country in the world can and should join the 2008 Convention on Cluster Munitions. It is a question of political will and placing a priority on the protection of civilians over outdated and indiscriminate weapons.

We call on the following **81 states** to join the Convention without delay:

- | | | |
|-----------------------|------------------------|--------------------------|
| 1. Algeria | 29. Jordan | 57. Serbia |
| 2. Argentina | 30. Kazakhstan | 58. Singapore |
